Dressing up homes

Residential

Axiom Interiors specializes in bringing to Life your dream abodes with the help of professional designers, quality suppliers and in house expertise. We understand that every client has individual needs and respect their tastes. All designing and execution is therefore done keeping the client's specifications in mind.

Consultation: We provide consultation to all homeowners, to match individual budgets and requirements. We guide you through all the essentials of successfully furnishing your property, thereby taking you a step closer to your dream home.

Designing: Based on your requirements, budget and property specifications, we present to you furniture layouts/ideas/sketches and images, along with 3-D plans, until you are satisfied. Designing costs are complimentary for projects executed through us.

Execution: We are happy to execute the designs for you, in which case designing charges are adjusted with the final bill. We take care of coordinating with the suppliers as well as the developers (for under-construction properties). We supervise every aspect to ensure professional standards of work and complete peace of mind.

Home Renovation: If you are planning to increase the value of your old house for reselling or letting out, or simply want to give it a dream makeover, we can do more than help. Not only do we offer innovative ideas about the property but also help you structural remodeling, plumbing, designing, furnishing and so on. In fact, we would take care of all that a perfect property makeover calls for.
